Dear Parents

Our Waterwise programme will begin in Week 2 of this term, with the first class going on Tuesday, February 8th. Please check the attached timetable for when your child's class is going. Waterwise is a required component of our P.E. programme and all students are expected to participate. Each class needs parent helpers and trained instructors and the teachers collate that information as soon as possible. Please also rate your child's swimming confidence from 1-10. (1 being your child cannot swim, and 10 being your child is a very strong swimmer). Please complete the form below and return to your class teacher as soon as possible. Thank you for your support – without it the programme would not be possible.

Yours sincerely
Debbie Wylde
Teacher-in-Charge of EOTC
